

**Thursday
14th February**

SHAPE IT UP

We are having a maths day all about shape on Thursday 14th February.

Children are invited to come dressed in any kind of shape or pattern: stripes, spots, shapes, zig zags, floral—the more colourful, the better!

Each class teacher will prepare a day of fun maths activities based around shape, space and measure.

Parents are invited at 2.40pm to hear how maths at Yaxham is progressing, and how you can help your child with maths at home.

At 2.50pm the children will join us to tell us all about what they have been learning in their classes. This assembly will be instead of our usual Friday parents' assembly—Headteacher's awards will be given out at the end.
