Dear Parents,

Thank you for your support in making sure the children were prepared for the weather today. The ice pops brought by the Friends were very much appreciated! The children have coped very well but they were definitely ready to get out and cool down at the end of the day. Please continue to ensure that they have hats as they really need them for longer periods outside such as lunchtime and PE lessons.

Thank you also to those parents who responded to our RSE policy survey, it was really useful to receive your feedback on what can be a difficult subject to discuss. Most importantly for us, all who responded felt that our teaching of the subject and communication relating to the subject was good or excellent. We will reflect on all of the comments made to ensure we continue to improve our practice.
