Dear Parents,

Thank you for all of your support over the last few weeks with the concern of Coronavirus cases. We continue with measures in school and will of course get in touch if your child shows any symptoms. Please remember that we will need them to have a PCR test before they return if this is the case.

With all of this happening it has been lovely to see the return of some of the more normal activities such as after school clubs. The children attending are enjoying tri-golf. We look forward to Quidditch making a return after half term! We are also using our sports funding to have activities led by Mollie from Community Sports Foundation two lunchtimes a week. Children can choose to join these activities on the day which they really enjoy.
