Thursday 27th February 2020.

Dear parents/careers,

As we approach the beginning of March sports relief week will be taking place. The rugby festival falls within the dates of this week, however, rugby club's last session is on the 5th of March. This is the week before so there will be no after school club during sports relief week. This has given me the idea of raising money on the last session.

On Thursday 5th of March we will be offering the chance for you to attend your child's rugby session and participate alongside them! This will give you the opportunity to see what your child has been learning and join in with some of the action too. This is an incredible opportunity for you and your child to take part in something together!

To participate in the session we are asking for a **minimum donation of £1 per adult/sibling** joining in. All donations will be collected and saved for the following week and added to the total sum at the end of the week. Please note that if you are going to be participating you will need to be dressed appropriately for the session. **Donations will be collected on the day of the club.**

If you would like to attend the session, please could you return the slip to Mrs Fulham by **Monday 4th March**. This is important so that I can plan for the amount of people participating within the session.

Best Wishes,

Miss Larter

I will be attending Rugby Club on the 5th March 2020.
