Dear Parents,

It has been a busy but lovely few weeks. We had a wonderful World Book Day with some amazing costumes! It is always wonderful to have the opportunity to work together on special days, the prefects reading stories to groups of children was a highlight, along with the Masked Reader which the children did surprisingly well at!

Badgers had a fantastic residential visit to X Adventure in Horsford. They had some amazing experiences and made us incredibly proud with their behaviour and attitude towards the challenges. I think we have all just about caught up on the missed sleep!

Red Nose Day was also supported really well, we collected nearly £48, thank you all for your contributions.

As we finish the week we are looking forward to some more exciting events! The Friends have been busy alongside the Easter Bunny to help us prepare for Friday, we will enjoy our Easter Egg Hunt before an Easter Breakfast. There may be a treat for the children to look forward to when we leave at the end of the day. We have our Easter Assembly at 2.45pm, we hope lots of you will be able to join us. The Friends will hold their Bake Sale straight afterwards so please remember to bring your money along if you would like a treat. Any cake donations on the day will be gratefully received! (No Nuts)

The whole school took part in the NSPCC Speak out Stay safe assemblies last week, they approached the subject sensibly and with sensitivity.

Other Messages

Morning Club

Please be reminded that Morning Club starts at 8am. We have an increasing number of families arriving early before staff have arrived and set up which means children cannot be supervised.

Staff Car Park

The car park is not for the use of families at any time, unless previously agreed by the headteacher. Parents dropping children off and collecting children from clubs are preventing staff from arriving and departing safely as well as putting children's safety at risk with additional vehicles moving around. Please also make sure that you stand well away from the car park when waiting to ensure

that children do not stray into the car park area. They should not be collected from the car park gate to ensure safety.

Friends of Yaxham School

The Friends have been incredibly busy planning events to raise funds for the school. They have already supported our trips this year as well as buying some new equipment for a sensory space in school. They plan to help support us with further developments to our outdoor area. Budgets are increasingly tight so all help is gratefully received!

The Quiz and Comedy Night with Ben Langley was a huge success, raising a fantastic £1090.58!

Please remember we have a Bags2School collection when we return in case you are having a Spring Clean over the break!

Wishing you all a wonderful Easter break. We look forward to seeing you all when we return on the 14th April.
