

Home Learning Challenges - Autumn 1 - The Great Fire of London

Make a fire collage using different materials.

Do you have a fire alarm in your house? Ask an adult to help you test it

What number would you call if there was a fire?

Lead a fire drill in your house. What is the best way out?

Design a fire safety poster.

Find London on a world map. Can you find 5 more capital cities too?

 Shine a torch against a wall. What shadow shapes can you make using your hands and fingers?

If you move the torch nearer or further away, does it make the shadow bigger or smaller?

The sun produces light. What other objects can you find that produce light? Ask an adult if they can light a candle for you. Watch the flame from a safe distance?

Complete a line of the Mindfulness and Reading Bingo sheets over this half-term.

(Maybe 1 activity per week?)
