

Yaxham C of E Primary School

Admissions Policy

Planned Admissions:

All four year old children are admitted in the September. After a part-time settling in period, those whose birthdays fall between 1 September and the end of February will attend full time, while younger children continue part-time. Children whose fifth birthday falls between March and the end of August will move to full time in January. In case of over subscription, children will be admitted in the following order of priority:

Yaxham School has an intake limit of 15 children per year group. Should there be more children apply for a place than there are places then the criteria for the offer of places is as follows -

1. Children with a Statement of Special Needs as issued by the LEA where Yaxham School is the school named in the Statement.
2. Children who live in Yaxham or Whinburgh.
3. Children who have brothers and sisters in the school.
4. Children whose parents are members of a local church who desire a church school education.
5. Those parents who have shown an interest in the school by visiting it.

If all children with any of the above rules cannot be offered a place, the highest priority will be given to children living the nearest to the school within that rule. To determine who lives nearest, distance will be measured on a straight line crow fly basis, using Ordnance Survey data.

The school will provide familiarisation sessions during the latter part of the Summer Term to give the children an opportunity to meet staff and other pupils. These sessions will be at the discretion of the Governing Body in consultation with the Headteacher.

No Children can be offered a definite place until the May (date decided by LEA) prior to the September intake.

Within-Year Admissions:

These are overseen by the LEA and the school has to accept with-in year admission where there are less than 15 pupils on the roll. Over and above this number, the Headteacher, in consultation with the Chair of the Governors, will decide case-by-case whether the school has the capacity (overall or in a specific class or a specific year group) to accept any within-year admissions. In doing so special consideration will be given to children moving into the parish and immediate area, irrespective of particular needs, subject to the judgement of the Headteacher as to whether such admission would seriously jeopardise the ability of the school to continue to deliver the curriculum to the high standards that we have come to expect.

Policy agreed by Governors: February 2020

Review Date: February 2021

(or earlier should circumstances require it)

Admissions oversubscription criteria

Where Yaxham CE VA Primary School is oversubscribed (there are more applicants than places available) places will be allocated in accordance with the following criteria and in the following order of priority.

A child who has an Education Health and Care Plan naming the school is required to be admitted.

1. Looked after children (children in care), previously looked after children (previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order, immediately following having been looked after) and children adopted from abroad
2. Siblings of children already at the school living in the catchment area [for the definition of sibling and catchment area refer to items 2 and 3 in the *definitions* section of the Appendix 1]
3. Residence within the catchment area of the school [for explanation of resident refer to item 2 in the *clarifications* section of Appendix 1. For explanation of catchment area refer to item 3 in the *definitions* section of Appendix 1].
4. Siblings of children already at the school living out of catchment [for definition of sibling and catchment area refer to items 2 and 3 in *definitions* section of Appendix 1].
5. Children living out of the catchment area who have a faith and / or whose parents are committed Church members and wish them to receive an education in a school with a Church of England foundation [for explanation of committed Church member refer to item 3 in *clarifications* section of Appendix 1]. They should support this application by completing the Supplementary Information Form (SIF) in Appendix 2. Within this criterion the following hierarchy will be applied:
 - I. Anglican
 - II. Other Christian denomination
 - III. Other organised religions

For further information and advice on this criterion refer to items 5 and 6 in the *clarifications* section of Appendix 1.

6. Children of staff where:
 - I. a member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - II. the member of staff is recruited to fill a vacant post where there is a demonstrable skill shortage

7. Resident out of the catchment area of the school [for explanation of resident and catchment area refer to items 2 and 3 in the *clarifications* section of Appendix 1]

In the event of the having to use a tie-breaker to distinguish between two or more applications of equal strength, the child living the **shortest distance** from home to school in a straight line as the crow flies route should have priority [for explanation of shortest distance refer to item 4 in the *clarifications* section of Appendix 1].

If the decision of Yaxham CE VA Primary School is not to grant a place for your child, you have the right to appeal against its decision. You will be sent information on how to appeal.

All unsuccessful applicants are placed on a waiting list that is maintained in the rank order of the oversubscription criteria (taking into account the distance tie-breaker if appropriate). This does mean that the position of applicants on the list could change during the lifetime of the waiting list. If, at any time, the number of pupils to be admitted falls below the PAN then the available place(s) will be offered to the applicant(s) at the top of the waiting list. This waiting list ceases to be valid on 31 December 2020

APPENDIX 1

Definitions:

1. Parent is defined as all people with parental responsibility for the child, including legal guardians
2. Sibling is defined as brothers or sisters living at the same address including adopted children, step-brothers, step-sisters and children in foster care within a family unit.
3. Catchment area: All Diocesan schools and academies prioritise children living in the local area and within the Admissions Policy this is described as the school catchment area. Detailed information regarding catchment areas is available at www.wherellive.norfolk.gov.uk.

Clarifications:

1. The applicant for admission must be the parent or legal guardian of the child for whom admission is sought.
2. "Resident" is defined as the place where your child usually lives. We may need proof of this address. We will not treat your child as ordinarily resident if you rent or own a second home in the catchment/defined area or if you use another address to give the impression that your child lives in the catchment/defined area so that you have a higher priority for a place at that school. It does not apply to proposed moves into the designated area which have not taken place at the time an application is considered – unless proof, such as Exchange of Contracts or a signed Tenancy Agreement, can be provided at the time of application or exceptional late application. We will consider Gypsy, Roma and Traveller children moving into an area as 'Resident' in that area when they apply for a school place.

3. Committed Church member is defined as one who has attended worship at least once a month on average for at least 1 year prior to the date of the application. A completed Supplementary Information Form (SIF) should be submitted to support this (see Appendix 2).
4. We will measure the distance by a straight line ('as the crow flies'). All straight line distances are calculated electronically by the LA using data provided jointly by the Post Office and Ordnance Survey. The data plots the co-ordinates of each property and provides the address-point between which straight line distance is measured and reported to three decimal places. Where there is more than one home within a single building (for example apartments) we will measure to a single point within that building irrespective of where those homes are located.

In the unlikely event of two or more applicants living the same distance and competing for a single place, lots will be drawn by someone independent of the school to determine the successful applicant.

5. Other recognised Churches are those in full membership of Churches Together in England (or in full membership of a federation of Churches that is in full membership of Churches Together in England.) or the Evangelical Alliance. Further details can be obtained from the following websites: <http://www.cte.org.uk/Groups/42314/Home.aspx>
<http://www.eauk.org/>
6. Applicants who wish to be considered as committed adherents of other organised religions will be required to show an equivalent level of commitment to that described for Christian applicants and provide a letter signed by their local faith Leader. Other recognised organised religions are Islam, Judaism, Hinduism, Buddhism, Sikhism and Jainism.
7. Multiple births – if the final place at the school is offered to a twin/triplet etc. and the remaining sibling(s) would ordinarily be refused a place, the Governors will offer places to the remaining sibling(s). It is not the Governors policy to separate twins/triplets etc. even when their admission would breach infant class size legislation.
8. Shared Responsibility: Where a child lives with separated parents who have shared responsibility, each for part of the week, the address at which the child is ordinarily resident will be considered to be the address that the child lives at for most of the week (excluding weekends and school holidays). Both parents must provide evidence in writing to confirm the child's living arrangements at the time of the application. In cases where the child spends an equal proportion of the school week with both parents, evidence of the main contact address will be required to support the application. Both parents must agree in writing which address is to be used as the 'ordinarily resident' address. This address will then be used when processing all school preferences expressed. It is not acceptable to use one address for one school preference and another address for another school preference.
