

BRITISH SCIENCE WEEK

Theme of 'Growth'

Introduction

The theme for British science week 2022 is 'growth' and Sir Isaac Newton Sixth Form is holding their own competition **for students in Year 1 and 2** in celebration of this event! Have a talent for drawing? Have a go and discover something new in STEM (science, engineering, maths and technology) around the theme of growth and **have a chance to win one of our prizes**. We look forward to seeing your inventions!

Criteria

- Design a poster/ drawing on an A4 piece of paper
- Create or invent a solution to 'growth'
- Add explanations to your poster/ drawing
- Submit with your name, age, class and school
- Don't forget to title your work!

Did you know?

80,000 acres of trees are cut down in a day
Can you design an invention to help tree growth?

Submit

Once finished, present your piece to your teacher by the 21st April 2022. All entries will be displayed at our STEMM summer event at Sir Isaac Newton and prizes will be awarded to the winner and runner up in each age category.
