Tuesday 21st January 2020.

Dear parents/careers,

This year we will be holding a sponsored swim during robins scheduled swimming lesson. The purpose for this is that their lessons falls in line with Sport relief week and our aim is to raise as much money possible for the cause. This offers the children experience in fundraising and trying something new!

The sponsored swim will take place on **Wednesday 11th March 2020** during school time. Due to the location of the session parents and careers will not be able to come along and support their child. However, by sponsoring your child this can help to motivate them to achieve our target distance: **4,500m**, this means that your child will be swimming a minimum of 10 lengths of the pool which is 15m. Due to the different abilities in the group, students will be allowed to swim with aids so that they are comfortable and safe at all times.

If you are able to sponsor your child please could you see the form attached and fill it our accurately. There is no minimum or maximum amount that we are expecting however, all donations will be added to the maximum that will be collected over the week.

Please could you return all sponsorship forms to Mrs Fulham by **Wednesday 11th March**. Please ensure that all forms and sponsorship money is enclosed in an envelope.

Best Wishes,

Miss Larter
