22nd March 2024

Dear Parents,

What a week it has been! Badger Class had the most fantastic time at Whitwell Hall, we couldn't have been more proud of them! The children had such a positive attitude towards all of the activities, many overcoming challenges and fears, coming away really proud of their achievements. They have to be the tidiest and most organised group that we have ever taken, only 3 small pieces of lost property is unheard of! Thank you so much to Miss Alden, Mrs Farmer and Mr Burrell for giving up their time to make this experience possible. Hopefully everyone will catch up on lost sleep over the weekend!

We were also lucky enough to be able to take some of our KS1 class to the West Norfolk and Dereham School Sports Partnership Sports4All event. Yet again our children were a shining example of our school. They put every effort into each activity. A special well done goes to Eliza, she was awarded for demonstrating the School Games value 'Self Belief' throughout the event.

### *Special Awards this week*

***Hedgehog Class*** Jack for working really hard all week

***Badger Class*** All had a certificate for their amazing achievement this week

***Fox Class*** Eddie for working extremely hard all week

***Writer of the week*** Louie for his brilliant writing on his dragon story

***Book of the week*** Thank you to John for sharing his Tom Gates book, somehow he selected his brother for next time so we look forward to seeing what Charlie C and Charlie N share with us after Easter!

### **Other Messages**

#### **Church visit**

A reminder that the children will be attending collective worship at St Peter's Church on Wednesday. This is the last day of term so children will not be able to leave things at school, please be aware that they will have to carry everything on the walk so it will be sensible to make sure that they bring as little as possible. Children will need to be collected from the church at 3.20pm.

**Party Invitations**

As a school we had always avoided getting involved in the distribution of party invitations. We have recently allowed this to happen, but as we have previously found, issues have arisen because of this. Therefore, we have agreed to return to our policy and ask parents to organise this themselves outside of school. We appreciate this can be difficult but this is a decision we must make for the emotional well-being of all of our children. We appreciate your understanding in this matter.

**Parking**

Yet again I must bring parking to your attention. I have received several concerns from residents as well as parents. Please park responsibly and ensure that you are not blocking the view or exits of others. Do not park on the H block or the opposite side of this junction.

**Collection of children**

We still have a lot of parents who are not entering the playground to collect their children. This is a huge concern for us, sending small children out onto a busy footpath and next to the road is dangerous. For the safety of your children, please collect from the playground.

Best wishes for a restful weekend.

Our members range in age from 8 to 80, and it is not uncommon to see several generations from the same family on the water!

Our members also span all levels of ability; we have beginners, top athletes and paracanoeists. Some members just want to have fun on the water whereas others want to go as fast as possible.

Whatever your goal is, Norwich Canoe Club will welcome you as part of our community, and support you to reach your goals.

We're a charity using funding and club income to reinvest in our community and club.
