Thursday 5<sup>th</sup> March 2020

Dear parents/careers,

This year we will be running a variety of different sporting activities during the week of sport relief. As some of you may know each year group has been given the opportunity to participate in different sporting activities or been given the chance to lead some sporting activities.

This has lead me to the idea of hosting a **Scooter board race** for the younger years of the school. How this works is children in reception, year 1&2 will be split into different teams and they will compete in different races to see who can win. This encourages team work and a competitive edge for students.

It has come to my attention that some parents/careers may wish to watch their children in action, so I am pleased to announce that we will be offering you the chance to come along and support the fun! As we are trying to raise money during sport relief week we will be asking for a **minimum donation of £1 per person** which will be collected on the day.

This event will be taking place on **Thursday 12<sup>th</sup> March** and doors will open for spectators at **1:30pm**. It would be lovely to see students being supported by everyone so we look forward to seeing those of you who can make it. If weather is looking okay we will aim to get outside however, if it is raining we will be inside.

Best Wishes,

Miss Larter
