6th March 2020

Dear Parents and Carers,

Another busy week has flown by! Thank you so much for your support with World Book Day. There were some fantastic costumes! We enjoyed sharing stories across the school and captured children's

interest with some new books and authors as well as some old favourites.

Whilst we are always keen to expand our library in school, we will always encourage children to visit their local library too. Just in case you weren't aware, if you have library membership you can also use the app Libby, which is free, on electronic devices. This allows you to borrow electronic books for a 3-week period just as you would from the library. It also includes audiobooks.

Other Messages

Coronavirus concerns

We will continue to keep you updated as new information is realised. Obviously the subject continues to be in the news and there is often discussion relating to schools. We will continue to follow guidance from the Department for Education and the Local Authority. Should the government plan step into the stage that involves school closure we will ensure we communicate this as soon as possible and plans will be in place to make some provision for continued education. In the meantime, we will continue to reinforce the key message of hygiene.
