Dear Parents,

Christmas has landed at Yaxham, along with a serious amount of sparkle! Children and staff have had a great day and are really looking forward to the celebrations that are to come over the next few weeks.

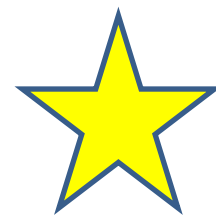

We were also really pleased to see our safety barrier fitted at the front of the school this morning. The Parish Council have very kindly helped to fund this to help keep our children safe. Please do make sure children don't climb on it while they are waiting at the front of the school.
