Dear Parents,

Thank you all for your support at the end of the school day yesterday. I know it the accident was incredibly frightening for all of those who were in the vicinity. With the support of parents, we were able to send the children home safely, with as little disruption as possible.

Could I remind you all that unless you are waiting with dogs, please come on to the playground to collect your children. This helps us to ensure children get straight to their parents safely and that they only go near the road when they are supervised.

Yours sincerely,
