

Autumn 2 - Home Learning Challenges - Celebrations

Please stick this in your pink learning log at home.

1. Create a piece of firework art. You can do this in any way you like!

2. Make a poster about how to be safe around fireworks.

3. Write a list of all the different things we might celebrate. How many different things can you think of?

4. Do some research about a celebration from around the world. What is being celebrated? Who is celebrating? What do they do?

5. **Can you draw pictures to solve this problem?** There are 19 fireworks and 7 go off. How many are left?

6. How do you celebrate Christmas in your house? Write about the decorations you put up, the foods you eat and the special things you might do.

7. **Can you draw pictures to solve this problem?** Father Christmas picks up 7 presents from his elves. There are already 5 presents in his sleigh. How many does he have altogether?

8. Write a very polite list to Father Christmas asking him for a present. What questions would you like to ask him?
