Dear Parents,

What a week! We are incredibly proud of Fox Class and the way that they approached their assessment week. Year 6 faced the challenge of SATs with a great attitude, working incredibly hard throughout. You will read lots online about the difficult nature of the tests but the children faced this with such resilience, they couldn't have made us more proud. A special thanks of course to Mrs Knee and Mrs Bear who work so hard to ensure the children are prepared, but also to the rest of the staff and children who pull together to ensure that everything runs smoothly. It really is no mean feat and is a real team effort.

This week Key Stage 1 assessments take place, while these are no longer reported in the same way, we have been asked by the trust to continue these assessments and therefore they need to be organised under the same conditions. We will certainly all be ready for half term when it comes!

Special Awards this week

Hedgehog Class Briela for working really hard in phonics

Badger Class Belkisa for giving detailed feedback to friends in our english lessons

Fox Class All of Fox Class for absolutely storming through assessment week

Writer of the week Jackson for working really hard on his presentation and handwriting

Book of the week Zosia shared a lovely dragon story with us . We look forward to seeing what John and Louie share with us next week.

Church

Just a reminder that we will be visiting St Peter's Church, Yaxham, for collective worship on Wednesday 22nd May. Children will need to be dressed appropriately for the walk and have as little to carry as possible. Children will need to be collected from the church at the end of the school day.

Please confirm with the office if you still require after school care on this day, these children will walk back to school so we will need to know in advance to arrange staffing.

Quingo

A huge thank you to the Friends for the hard work they put in to organise a great night and to all of you who supported it. We look forward to hearing how much the evening raised.

With best wishes for the final week of this half term,
Jennie Müller

The Oasis logo is a central circular emblem. Inside the circle, there is a palm tree on the left, a family silhouette (two adults and two children) in the center, and a beach with waves and rocks at the bottom. The word "Oasis" is written in a large, black, sans-serif font across the top of the circle. Surrounding the central logo are four yellow, wavy-edged tags, each containing a word in black text: "Songs" (top left), "Refresh" (top right), "Drama" (bottom right), and "Craft" (bottom left).

Discover Your Ability

2024

Who can get involved?

To summarise, **EVERYONE**.

The challenge is **inclusive** to all ages and abilities. We use adapted bikes and specialised equipment to ensure each and every person whatever their ability can get involved. We also love to have spectators to cheer on the partakers as well as helping to raise the profile of Able2B and these amazing children.

What is DYA?

It is a challenge that pairs up mainstream and SEN pupils in aim of reducing the stigma around disability. The pair complete three training sessions at the Able2B gym to get to know each other and a challenge that involves biking, using **adapted bikes** if necessary as well as some frame runners. We have access to a whole array of bikes to ensure all children can get involved. In addition to the biking lap, the participants complete a walking, running or pushing (wheelchair users) challenge.

The first training event for 2024 starts on May 2nd (see link below for more details)

The event is to **celebrate educate about inclusivity**.

The children participating also are encouraged to find sponsors that will donate money to participant and Able2B for their efforts in the challenge.

A recent addition to DYA is an **adult sponsored walk**, a way to include all adults that are interested in taking on a new challenge. The adults of all ages and abilities set off around the course together with family, friends, and other volunteers to support them. A great support network and an amazing achievement.
