Dear Parents,

Firstly, I must say an enormous well done to Hedgehog Class for their fabulous Class Assembly. So beautifully presented, you would not think they are the youngest children in the school!

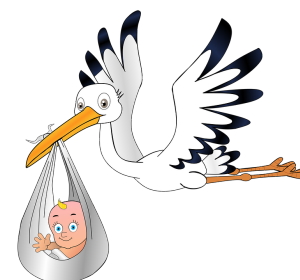

It is a week of great news! We were over the moon to receive our SATs results which were, on the whole, well above national average! This shows how incredibly hard children have worked, as well as the impact of school improvements led by the team here. If you haven't already, you will soon receive notification of your child's achievements. I am sure you will be as proud as we are!

Mr and Mrs Gilbert would also like to share some very special news. They are expecting their first baby in November! I am sure you will all join us in congratulating them.

I know parents of children in Hedgehog class will have questions about the plans to cover Mrs Gilbert's maternity leave. We will ensure we have a teacher appointed early in the autumn term so that the transition between teachers is as

smooth as possible for the children. We will also appoint a temporary SENCO during her absence.

Please nominate our school library, the more nominations the greater chance we have of winning £1000!

Sports Equipment for Schools

As the equipment for schools campaign comes to an end there will be **8 bonus tokens** in every edition of the EDP next week! (In the Eastern Daily Press and East Anglian Daily Times) the bonus tokens will begin this Saturday, July 9th.

From daily newspapers, that gives every pupil the chance to collect up to 64 additional tokens! Please ask friends and family to save the tokens for use too!
