9th July 2024

Dear Parents,

I should have known that planning to change the Newsletter to a Monday would instantly make Mondays even busier! Apologies yet again for the delay!

As you are aware, yesterday we were inspected by a member of the SIAMS team, as always the children really shone throughout and made us incredibly proud. Thank you so much to the parents who took time out to speak to the inspector too. We will share the report as soon as we are able, but we have been warned that due to the timing of the visit we may not have this in place until September. We will do all we can to try and access it sooner but such reports always take time due to the quality assurance systems in place.

Open Evening

Next Monday after school we are planning an 'Open Evening' as past evenings have not been well attended, we are running a different system this year. This will be an opportunity to drop in and see your child's class teacher to discuss any queries arising from their report. Teachers will be in spaces in the hall and parents will be given a waiting area. It will be first come, first served, so no appointment needed. This will run from 3.30pm-4.30pm. Parents of children on the SEND register can also use this session to discuss their child's learning review. During this session you are also welcome to visit your child's new classroom if they are moving up.

Bake Sale

Huge congratulations to Fox Class on the success of their Bake Sale on Thursday, I think you will all agree what a fantastic job they did. They raised

an amazing £101 and can't wait for their end of term party. Thank you so much for your support.

Special Awards last week

Hedgehog Class *Elise for her brilliant attitude to learning and being such a helpful member of the class*

Badger Class *Belkisa for really projecting her voice in the play*

Fox Class *Toby for setting a super example to others and always remembering our school values*

Writer of the week *Eddie for making great progress with his handwriting and presentation*

Swimathon

A very special well done goes to Ellie-Mai this week. Sadly, a child from her swim was recently diagnosed with Acute lymphoblastic Leukaemia. The school arranged a 12 hour swimathon to support the family. Ellie-Mai was poolside from 6am to 6pm and persevered swimming an amazing 9 miles! We couldn't be more proud! They have raised a fantastic £2500 already.

I had also been planning to tell you today that Toby had asked if we could hold a non-uniform day to raise funds for the school. However, when he heard what Ellie-Mai was doing, he asked if we could add to her fundraising. So this Friday, 12th July, will be non-uniform. Please donate what you

can. If you would like to donate directly to the crowdfunding page, please follow the link below. Thank you Toby for such a thoughtful suggestion.

Friday 19th July 2024 - End of term

TECH CAMP 2024

TWO WEEKS OF TECH FUN AT EACH LOCATION

WEEK 1: ROBOTICS, VR & TECH FUN
Program: robots, design games, model 3D creations, experience Virtual Reality, learn to mix like a Pro DJ, master Videography and Editing - plus MEGALASERTAG! A week of inspiration and creation with MAXIMUM excitement. Children will experiment and challenge themselves, whilst learning real-world skills.

WEEK 2: MINECRAFT & LEGO ENGINEERING
Designed for ULTIMATE fun and education! Students can dive into Minecraft Education and design game elements, build Redstone circuits and delve into coding fundamentals. Then take a deeper look into engineering using LEGO bricks combined with sensors and motors, to create cool inventions powered by code.

What to bring to camp?

- Packed Lunch and Snacks for next
- Water Bottle
- Medication if Required
- Weather Appropriate Clothing

We are in your area!
We have more than 80 camps running this Summer. Find your local camp on our website: www.nextthing.education
