

## Tapestry – Child Login: Completing an Activity

Here we are going to look at how to view Activities on Tapestry either at home or at school. Activities are lessons and tasks added by your teacher on Tapestry.

Make sure you are logged into Tapestry first (in the web browser).

Once you've logged into your account, click **Activities** at the top of the screen which is shown by the red number 1 arrow.

Then click the **Open** button next to the activity you would like to look at (shown by 2).

The screenshot shows the Tapestry user interface for a child's account. At the top, a blue navigation bar contains the user's name 'Abby Johnson', icons for 'Observations' and 'Activities', a bell icon, and a 'Log Out' button. The 'Activities' icon is highlighted with a red arrow and a white circle containing the number '1'. Below the navigation bar, the page is titled 'Planned Activities' and features a search bar. A list of activities is displayed, each with a thumbnail image, a title, a description, and an 'Open' button. The 'Open' button for the 'Making your own garden' activity is highlighted with a red arrow and a white circle containing the number '2'. The activities listed are: 'Abby is reading "The Koala who Could" this week (27/7/2020)', 'Abby is reading "The Lion Inside" this week (27/7/2020)', 'Making your own garden', 'Living is Learning - Doing the Washing', and 'Easter Egg Hunt'.

**1**

**Abby is reading "The Koala who Could" this week (27/7/2020)**

Abby picked this book out of the book corner because she said she really likes Koalas and wanted to take it home. We have read the blurb and she is excited about reading it with mum and dad. Enjoy!

Open

**Abby is reading "The Lion Inside" this week (27/7/2020)**

Abby and I had a little look at this book this afternoon. We looked at some of the pictures and discussed what might happen, but we haven't started reading yet. Enjoy!

**Making your own garden**

Make a garden in a washing up bowl or small tray. Make a pond by adding water in a pot or use a mirror, silver foil. Add some earth, grass, pick some flowers or weeds (check first!). Find some stone...

Open

**Living is Learning - Doing the Washing**

Even the most basic of chores contain learning opportunities for your developing child! Doing the washing involves so many little tasks: collecting, piling, hanging, sorting, matching, folding (Physic...

Open

**Easter Egg Hunt**

Resources: Chocolate eggs (or decorated paper mache eggs) Paper and pencils Activity: Hide a number of eggs around the house (or in the garden if possible), Draw a map for your child with locations...

Open

When you go into the activity you'll be able to see the title (1) and any pictures or videos (2). You can also like the activity by clicking the **Like** button (3).

The screenshot shows a user interface for 'Abby Johnson' with a blue header bar. The header contains a profile picture, the name 'Abby Johnson', and navigation links for 'Observations' and 'Activities'. A bell icon and a 'Log Out' button are in the top right. Below the header, there's a 'Back to list' button with a butterfly icon. Navigation buttons 'Previous' and 'Next' are also present. The main content area displays the title 'Living is Learning - Doing the Washing' (labeled 1), a video of a baby in a washing machine (labeled 2), and a 'Like' button (labeled 3). Red arrows point from the labels to the corresponding elements.

If you scroll down you can see any **Documents** your teachers have attached to the activity (1). You can open these by clicking on the button for that document.

You can also see any **Notes** your teachers have written to explain what to do (2).

If you have any questions you can type these into the **Questions** box (3), then click **Ask a question** (4). Your teacher will then be able to answer this for you.

If you click the **Write about doing this activity (add observation)** button at the bottom of the page (5) this will let you make an observation which your teachers will be able to see.

You can do this to tell them how you found the activity.

You can go back to the Activities list at any point by using the **Back to list** button at the top of the page (1), or you can use the **Previous** (2) and **Next** (3), buttons to go to the previous activity or the next one on the list.

So that's how to view and respond to Activities on Tapestry!
