Puffins Class Library

Dear parents,

To help promote a love of books and reading we are have started our Puffins Class Library today!

Each week your child will bring home a picture book they have chosen from our class library to share at home. This is the perfect opportunity to curl up and read a new book to your child while they enjoy the story. The questions you ask them about the story will really help their comprehension skills. Examples of questions can be found at the back of your child's reading record or on the bookmarks sent home at the beginning of the year.

Here are some extra questions the children will enjoy too!

1. If you could give the book another title, what would it be?
2. Which characters would you like to meet in real life?
3. What do you wish was different about the ending?
4. Would the book make a cool movie? Video game? TV show?
5. What is one thing you could ask the author if you could talk to him or her?

Children will need to bring their class library book back to school on a **Thursday** so they can change it.

Yours sincerely,

Miss Watson
