6th June 2019

Dear Parents and Carers,

Please find attached a copy of our most recent Ofsted inspection. We are pleased that the progress that has been made as a school is recognised. The inspector was particularly impressed with the children's behaviour and attitude to learning which makes us really proud.

Overall the school continues to require improvement which matches our own judgments. This is partly because some changes we have made needing more time to be embedded and for practice to be consistent across the school. The inspection has helped to confirm what is working well and areas for further development.

As a team we are confident we can move forward rapidly. In order to ensure this happens, we will continue to work closely with the local authority in the coming months, which will include regular reviews to make certain everything is on the right track.

We are currently reviewing our action plans as a result of this inspection and in light of changes to the Ofsted framework which will come into place in September. Details of these plans will be available on the school website when complete.

On behalf of the team of staff and governors, we would like to take this opportunity to thank you for your ongoing support and for the time many of you took to share your views during the inspection.

Your sincerely,

Mrs Jennie Müller

Headteacher

Mrs Claire Sullivan

Chair of Governors
